

**PPG Meeting held at Old Henry Street Medical Centre on
Monday 10 June 2019-**

Present on behalf of Patients; Jean Waddup, Julie Ellis, Lillian Sharp, Barry Sharp, Alan Dutton, Susan Kavanagh, Eileen Brunt, Howard Timms, Sylvia Folds.

Present on behalf of Practice; Marilyn Canty, Jane Foster

Apologies; J Bruce

Minutes of meeting held on 11 March were found to be accurate and correct.

Visitors; Julie O Malley gave us a presentation on SEPSIS Awareness, 520000 deaths a year are caused by Sepsis. We must be aware of symptoms and Doctors, Nurses, hospital staff and Receptionists are all being trained to identify the condition.

On line Survey; AD thanked HT for all his time and effort of completing our "on line survey." HT brought to the meeting the findings which were good.

GP Allocation. MC told us about a scheme to allocate one GP to each nursing home in the area and that it was working well. Instead of numerous GP going in to see their specific patient one GP will go in and see all the patients. Thus freeing up GPs.

Award BS, LS and JE presented our PPG Group with an award that was presented to us at the Annual Conference held at the Sports Village awarded to our group for our work developing our "On Line Services" BS suggested "On Line App services being used. HT explained that the "On Line Services were quite complicated, that some patients find it difficult to access our services. We are investigating how we can make it simpler so that we can increase our 25% to even more. We have a target to reach 40%.

Next Meeting Monday 2 September 2019
