

Cardiac Support Group

In partnership with NW Hearts Charity, we are running a Patient Support Group for those living with a cardiac condition in the Wigan area.

- Find out how to live well with your cardiac condition
- Meet others with shared experiences
- Guest speakers
- Drinks and refreshments provided

We are running three condition-specific groups:

- **Heart Failure:** For those who have been diagnosed with heart failure or poor heart functioning.
- **Arrhythmias:** For those living with an arrhythmia, a pacemaker or implantable cardiac defibrillator (ICD).
- **Ischaemic Heart Disease:** For those living with angina or who have had a heart attack.

All groups will take place at Baden Powel Scout Centre, Turner Street, Wigan, WN1 3SU
